Association Manager Message

Welcome to Spring! The Killarney Homes Association Board of Directors and staff have been very busy during the first quarter of 2023.

You'll see a new face if you visit us in the office. Nicholas Morrison joined the KHA team in February as our new Compliance Coordinator. Nicholas' primary responsibilities will be governance and common area inspections. Caleb Martinez, Assistant Association Manager, will remain the point of contact for Architectural Review Requests.

Below is a summary of actions taken by the Board of Directors since the new year:

- 🍀 Elected Committee Chairs and ratified appointment of members serving on the various committees
- 🍀 Approved pursuing a consumptive use permit to address water levels in the lakes
- 🍀 Approved Swim Club management proposal for the 2023 season
- 🍀 Approved several revisions to KHA Board policies
- 🍀 Renewed the Lakes Management Proposal for 2023
- 🍀 Approved pine straw installation at the entrances and common areas
- 🍀 Opened Board meetings to in-person resident attendance
- 🍀 Approved installing a collapsible bollard at a bridle trail as a pilot program
- 🍀 Approved the purchase of a KHA vehicle
- 🍀 Adopted a position to oppose any additional Welanuee Boulevard to Centerville Road connection vigorously
- 🍀 Took the position that KHA does not support any connection to the NE Park from Centerville
- 🍀 Removed KHA Policy 11 – Property Acquisition/Disposition from the association documents
- 🍀 Approved a quote to remove and replace roof shingles on the Killarney Way Park pavilion
- 🍀 Approved a proposal to remove the damaged white perimeter fence along Shamrock Street West near Steeplechase
- 🍀 Levied fines for unresolved violations

Homeowner attendance is encouraged at board and committee meetings. Board Meetings are held on the first Tuesday of every month at 6:30 pm. KHA usually has a guest attend the Board meetings. So far this year, we have heard from representatives of Community Advisors, our branch office CMC of Jacksonville, Associa, and the City of Tallahassee Electrical and Gas Energy Services.

We are taking applications for the 2023 Swim Club with plans to open on May 1st. See page 10 for rates and more information.

An Earth Day Celebration will be held on April 29th, and you can read more about that on page 3. The annual Independence Day Celebration has been scheduled for Saturday, July 1st, so you will want to save that date.

As always, please reach out to our office if we can be of assistance. 🍀

Compliance Corner

Hello Neighbors!

Springtime is here and we are seeing its effects all over the community. With the change in season comes the opportunity to do some spring cleaning. Check out the advertisement on page 8 for a great opportunity to clean out those donations you've been meaning to drop off.

The office has been making many changes to help lift up the aesthetics of the community. We've hired a new compliance coordinator, Nicholas Morrison, who joins our team to help tackle any outstanding violations around the community. As part of Nick's changes to the compliance system, we've set up quadrants to allow for a consistent schedule of inspections throughout the week. The quadrants are as follows:

As part of these changes to the compliance system, we've also purchased a community inspection vehicle that will help facilitate this process. This also gives staff the opportunity to perform small scale cleanups around the community. We're excited to move forward with this revised compliance system to help tackle any problems that may arise. If you see any areas of the community that could use a little love, please feel free to call the association office with your concerns at 850-893-3468. Alternatively, you can email your concerns directly to us at compliancecoordinator@killlearn.org.

As spring comes around, we wanted to publicize the violation categories that staff will be focusing on next. In addition to the typical violations we issue year round (signs, trailers, parking, etc.), we'll also be looking to address **roof maintenance, siding maintenance, and overall yard maintenance**. Of course, as summer approaches, grass will be growing at an exorbitant rate, so we'll be sure to allow homeowners ample time to correct these issues. As always, the office is more than willing to work with homeowners who may need some extra time to get these projects accomplished. I always tell homeowners, the only way we can help is if we know that help is needed. Give us a call or an email if you have any questions or concerns and we'll be happy to assist in whatever way we can.

Thank you to all homeowners who help keep our community looking great. Together, we'll ensure that Killlearn remains the premier neighborhood that it's always been. 🍀

Sincerely,
 Caleb Martinez
 Assistant Community Association Manager

Killearn Lakes Update

The KHA Board understands that all Killearn Estates residents are and have long been concerned with the lakes' condition. The fundamental issue involving them and causing their poor condition is simple: insufficient water. The evaporation of water is constant, and the addition of water by rain is unpredictable.

Steve Givens, President of the KHA Board and leader of the Lakes Committee, has worked tirelessly for months to solve the problem in conjunction with government entities. **Importantly, he has initiated and attended numerous meetings with City and County officials and their staff to get their help in resolving the lakes issues for the short and long term. The goal included accomplishing reclamation at little or no cost to Killearn Estates homeowners. Despite City and County representations about how they would help, they have done nothing.**

Consequently, at the February 2023 KHA Board meeting, the Board unanimously authorized Steve to retain an accomplished and highly specialized attorney to represent Killearn Estates to attempt to obtain a consumptive use permit. **The permit would allow KHA to withdraw water from the below-ground aquifer for lake improvement.** 🍀

Community Yard Sale & Goodwill Collaboration

Hello Neighbors!

The community-wide yard sale has been scheduled to April 15th to avoid any conflicts with other city events. We'll also be creating a yard sale map to allow for interested guests to easily identify where the sales are happening in Killlearn! If you would like to be a part of this list, simply reach out to the association office with your name and address. We'll publish the map a few days before the sale on our website, www.killlearn.org.

Please continue reading to find specific details about the yard sale and the wonderful collaboration opportunity with Goodwill. With this program, residents will be able to donate any items that they may want to get rid of after the yard sale without having to drive down to the nearest donation box. 🍀

Thank you!
Killlearn Homes Association

Goodwill is Coming to Our Neighborhood!

Keep forgetting to drop off your donations? We've got you. We've set up a partnership with Goodwill to make it more convenient to donate from the comfort of your own home.

On April 15, Goodwill Industries – Big Bend is coming to Killlearn Estates! They're here to help you start your year with a decluttered, stress-free home. For your convenience, it's as easy as setting your donations outside on the curb for Goodwill to pick up! Head to GoodwillBigBend.org/Pickup to RSVP your donation pickup.

Let Goodwill take care of those outgrown clothes, toys, and other household items you may find when you declutter so you can focus on what really matters.

Your Donation Matters.

Did you know that when you donate gently used items you no longer want to Goodwill, you create opportunities for someone right here in our community? As a local 501(c)3 non-profit, Goodwill uses 87 cents of every dollar made in their stores to fund critical programs available to community members at no cost to participants.

Through their in-person career centers and online training programs, they're able to provide job support, training, placement, skills development, and more to individuals facing significant barriers to employment.

Your donation makes a difference. We'll see your donations outside on Saturday, April 15. 🍀

We're coming to your neighborhood!

Pick up on April 15th

Keep forgetting to drop off your donations? We've got you. Goodwill makes it convenient to donate from the comforts of your own home.

With Spring and Summer Ahead, Plan for the Killearn Swim Club Now!

Although Winter remains, many of us may be planning for the Spring and Summer in Tallahassee, including in Killeam.

The Killearn Country Club and its amenities are being rebuilt from the ground up and will be unavailable for the foreseeable future. Steady progress is being made, but much work remains to be done.

Fortunately, Killearn Estates has another excellent facility for homeowners: *The Killeam Estates Swim Club*, located at 2300 Killarney Way. Many residents have traditionally joined it not just because of the quality of the facility but because of its history, traditions, and modest cost.

The Swim Club season will start on Monday, May 1, 2023 and run through Sunday, October 1, 2023. Swim Club hours will be from 11:00 AM until 9:00 PM.

This year, because the Country Club is entirely unavailable, the limited 150 memberships for the Swim Club will sell out fast. Membership is offered on a first-come-first-served basis, so it is crucial that you act quickly to ensure that you and your family are not left out.

For Killeam Estates residents, the membership fee will be \$500 for the season; for non-residents, it will be \$550 for the season. Partial season memberships may be offered if space is available. There will be a guest charge of \$5.00 per day per guest.

Swimming Lessons

Swimming lessons will be offered by the Tallahassee Swim School (850-668-2636) between 8:30-10:30 AM, Monday-Friday. Once daily lessons have concluded, students and others accompanying them must vacate the Swim Club unless they have purchased a membership. 🍀

Little Free Library – Now at Killarney Way Park!

In late October, I wrote to the Killearn Homes' Association board asking for permission to install a Little Free Library in the park on Killarney Way. Last year, I asked and got permission to install two benches at the playground in memory of my parents who had also resided in Killearn in their later years. My father was a college professor, and my mother was a TV producer and a journalist; certainly the love of reading was instilled to me and my siblings by my parents. I became a teacher of children with learning disabilities, and I have lived in Killearn since 2000, and I know how important good reading skills are for success in school and in life.

Seeing so many families out walking together and going to the playground during the pandemic, gave me this idea originally. I thought families could sit and read a book together in the peaceful setting of the park. This addition to the two benches seemed a natural fit – the benches and Library are up on the hill spaced away from the playground equipment in a quiet area.

Upon approval from the Board, I became the volunteer steward for the Killarney Way Park Little Free Library. My son-in-law, Matt Hale (also a resident of Killearn), assembled the library from a kit and installed it with a concrete base for stability.

The concept of the Little Free Library (LFL) movement is for people (and kids!) to take a book, and leave a book, hopefully sustaining the selection for others. Currently, our LFL has books for both levels. I seem to be out looking for books every week as the turnover of books has been amazing – people are READING!!

Little Free Libraries are a global phenomenon. There are more than 150,000 chartered libraries (registered with the non-profit LFL organization) all over the world in 100 countries. Through these LFL, over 250 million books have been shared since 2009. Although there are several privately maintained libraries in this subdivision, only six in Killearn Estates are actually chartered through the Little Free Library organization. The charter process allows the library locations to be registered on a national website with the location address and the name of the charter holder. These six sites in Killearn are: Arbor Hill (Vassar Road), Congregation Shomrei Torah (Kerry Forest Parkway), Pimlico Park, Blarney Drive, and Kingman Trail (technically Killearn Acres), and the Killarney Way Playground. Most of these locations are in the yards of private homes, so ours in the park is definitely unique.

On February 5, my family and I had a small celebration and banner-cutting to celebrate the library's opening. We had treats for kids, a craft activity, and of course, books were given away! We had about 40 people stop by for this special activity.

The Killearn HOA office has agreed to have collection box to store books for our LFL. Please consider donating books for others to enjoy. If you visit the park and take a book, try to bring a book back on your next visit. We want all visitors to have a great book to read and enjoy! 🍀
