The same sight-line limitations shall apply on any lot within 10 feet from the intersection of a street property line with the edge of a driveway or alley pavement. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight lines.

ARTICLE XXVI – EASEMENTS

Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded plat. Within these easements, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities, or which may change the direction of flow of drainage channels in the easements, or which may obstruct or retard the flow of water through drainage channels in the easements. ARTICLE XXXI – MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association shall be a member of the Association, provided that any such person or entity who holds such interest merely as a security for the performance of an obligation shall not be a member. The requirement of membership shall not apply to any mortgagee or third person acquiring title by foreclosure or otherwise, pursuant to the mortgage instrument, or those holding by, through or under such mortgagee or third person.

Section 2. Voting Rights. Members shall be all those owners as defined in Section 1. Members shall be entitled to one vote for each Lot in which they hold the interests required for membership by Section 1. When more than one person holds such interest or interests in any Lot, all such persons shall be members, and the vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any such Lot.

ARTICLE XXXII – PROPERTY RIGHTS IN THE COMMON PROPERTIES

Section 1. Members' Easements of Enjoyment. Subject to the provisions of Section 3, every Member shall have a right and easement of enjoyment in and to the Common Properties and such easement shall be appurtenant to and shall pass with the title to every lot.

Section 2. Title to Common Properties. The Association holds title to the Common Properties.

Section 3. Extent of Members' Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

(a) The right of the Association, in accordance with its Articles and Bylaws, to borrow money for the purpose of improving the Common Properties and in aid thereof to mortgage said properties. In the event of a default upon any such mortgage, the lender shall have a right, after taking possession of such properties, to charge admission and other fees as a condition to continued enjoyment by the members and, if necessary, to open the enjoyment of such properties to a wider public until the mortgage debt is satisfied whereupon the possession of such properties shall be returned to the Association and all rights of the Members hereunder shall be fully restored; and,

(b) The right of the Association, as provided in its Articles and Bylaws, to suspend the enjoyment rights of any Member for any period during which any assessment remains unpaid, and for any period not to exceed thirty (30) days for any infraction of its published rules and regulations; and,

(c) The right of the Association to charge reasonable admission and other fees for the use of the Common Properties; and,

(d) The right of the Association to dedicate or transfer all or any part of the Common Properties to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the Members, provided that no such dedication or transfer, determination as to the purposes or as to the conditions thereof, shall be effective unless an instrument signed by Members entitled to cast two-thirds (2/3) of the votes has been recorded, agreeing to such dedication, transfer, purpose or condition, and unless written notice of the proposed agreement and action thereunder is sent to every Member at least ninety (90) days in advance of any action taken; and,

(e) The rights of Members of the Association shall in no wise be altered or restricted because of the location of the Common Property in a unit of Killearn Estates in which such Member is not resident. Common Property belonging to the Association shall result in membership entitlement, notwithstanding the unit in which the Lot is acquired, which results in membership rights as herein provided.

ARTICLE XXXIII – COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. Each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, be deemed to covenant and agree to pay to the Association: (1) annual assessments or charges; (2) special assessments for capital improvements, such assessments, to be fixed, established, and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment,

KILLEARN ESTATES, UNIT TEN

DECLARATION OF COVENANTS AND RESTRICTIONS

together with such interest thereon and cost of collection thereof as hereinafter provided, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of the residents in The Properties and in particular for the improvement and maintenance of properties, services, and facilities devoted to the purpose and related to the use and enjoyment of the Common Properties and of the homes situated upon The Properties, including, but not limited to, the payment of taxes and insurance thereon and repair, replacement, and additions thereto, and for the cost of labor, equipment, materials, management and supervision thereof.

Section 3. Basis and Maximum of Annual Assessments. Until the year beginning January, 1972, the annual assessment shall be Thirty (\$30.00) Dollars per lot. From and after January 1, 1972, the annual assessment may be increased by vote of the Members, as hereinafter provided, for the next succeeding three (3) years, and at the end of each such period of three (3) years for each succeeding period of three (3) years. Any member, paying the annual dues on or prior to June 1 of the year in which same become due, shall be entitled to pay only the sum of Twenty-four (\$24.00) Dollars. From and after June 1 of each year, the annual dues shall be Thirty (\$30.00) Dollars.

The Board of Directors of the Association may, after consideration of current maintenance costs and future needs of the Association, fix the actual assessment for any year at a lesser amount.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized by Section 3 hereof, the Association may levy in any assessment year a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Properties, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members at least thirty (30) days in advance and shall set forth the purpose of the meeting.

Section 5. Change in Basis and Maximum of Annual Assessments. Subject to the limitations of Section 3 hereof, and for the periods therein specified, the Association may change the maximum and basis of the assessments fixed by Section 3 hereof prospectively for any such period provided that any such change shall have the assent of the two-thirds (2/3) of the votes of members who are voting in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be sent to all members at least thirty (30) days in advance and shall set forth the purpose of the meeting, provided further that the limitations of Section 3 hereof shall not apply to any change in the maximum and basis of the assessments undertaken as an incident to a merger or consolidation in which the Association is authorized to participate under its Articles of Incorporation and under Article I, Section 2 hereof.

Section 6. Quorum for any Action Authorized Under Sections 4 and 5. The quorum required for any action authorized by Sections 4 and 5 hereof shall be as follows:

At the first meeting called, as provided in Sections 4 and 5 hereof, the presence at the meeting of Members, or of proxies, entitled to cast sixty (60) percent of all the votes of the membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirement set forth in Sections 4 and 5, and the required quorum at any such subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessments. Due Dates. The annual assessments provided for herein shall commence on the date (which shall be the first day of a month) fixed by the Board of Directors of the Association to be the date of commencement.

The first annual assessments shall be made for the balance of the calendar year and shall become due and payable on the day fixed for commencement. The assessments for any year, after the first year, shall become due and payable on the first day of April of said year.

The amount of the annual assessment which may be levied for the balance remaining in the first year of assessment shall be an amount which bears the same relationship to the annual assessment provided for in Section 3 hereof as the remaining number of months in that year bear twelve. The same reduction in the amount of the assessment shall apply to the first assessment levied against any property which is hereafter added to the properties now subject to assessment at a time other than the beginning of any assessment period.

KILLEARN ESTATES, UNIT TEN
DECLARATION OF COVENANTS AND RESTRICTIONS

The due date of any special assessment under Section 4 hereof shall be fixed in the resolution authorizing such assessment.

Section 8. Duties of the Board of Directors. The Board of Directors of the Association shall fix the date of commencement, and the amount of the assessment against each Lot for each assessment period of at least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of the properties and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Owner. Written notice of the assessment thereupon shall be sent to every Owner subject thereto.

The Association shall upon demand at any time furnish to any Owner liable for said assessment a certificate in writing signed by an officer of the Association, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 9. Effect of Non-payment of Assessment; The Personal Obligation of the Owner; The Lien; Remedies of the Association. If the assessments are not paid on the date when due (being the dates specified in Section 7 hereof), then such assessment shall become delinquent and shall, together with such interest thereon and cost of collection thereof as hereinafter provided, thereupon become a continuing lien on the property which shall bind such property in the hands of the then Owner, his heirs, devisees, personal representatives and assigns. The personal obligation of the then Owner to pay such assessment, however, shall remain his personal obligation for the statutory period and shall not pass to his successors in title unless expressly assumed by them.

If the assessment is not paid within thirty (30) days after the delinquency date, the assessment shall bear interest from the date of delinquency at the rate of six (6) percent per annum, and the Association may bring an action at law against the Owner personally obligated to pay the same or to foreclose the lien against the property, and there shall be added to the amount of such assessment the cost of such action. In the event a judgment is obtained, such judgment shall include interest on the assessment as above provided and a reasonable attorney's fee to be fixed by the Court together with the costs of the action.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be absolutely subordinate to the lien of any first mortgage now or hereafter placed upon the properties subject to assessment. This subordination shall not relieve such property from liability for any assessments now or hereafter due and payable, but the lien thereby created shall be secondary and subordinate to any first mortgage as if said lien were a second mortgage, irrespective of when such first mortgage was executed and recorded.

Section 11. Exempt Property. The following property subject to this Declaration shall be exempted from the assessments, charges and liens created herein: (a) all properties to the extent of any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use; (b) all Common Properties as defined in Article II hereof; (c) all properties exempted from taxation by the laws of the State of Florida, upon the terms and to the extent of such legal exemption.

Notwithstanding any provisions herein, no land or improvements devoted to dwelling use shall be exempt from said assessments, charges or liens.

ARTICLE XXXIV – EXTERIOR MAINTENANCE

Section 1. Exterior Maintenance. In addition to maintenance upon the Common Properties, the Association shall have the right to provide maintenance upon vacant lots and shall have the right to provide maintenance upon every improved lot which is subject to assessment under article XXXIII hereof. Such maintenance may include paint, repair, replace and care of roofs, gutters, downspouts, exterior building surfaces, and other exterior improvements. Such maintenance as to a vacant lot may include the mowing of grass and weeds, the trimming of shrubs, or the removal of trash and litter.

Section 2. Assessment of Cost. The cost of such maintenance shall be assessed against the Lot upon which such maintenance is done and shall be added to and become part of the annual maintenance assessment or charge to which such Lot is subject under Article XXXIII hereof and, as part of such annual assessment or charge, it shall be a lien against said property as heretofore defined and limited, and a personal obligation to the Owner, as heretofore limited, and shall become due and payable in all respects as provided in Article XXXIII hereof.

ARTICLE VIII
ELECTION OF DIRECTORS; NOMINATING COMMITTEE;
ELECTION COMMITTEE

Section 1. Election to the Board of Directors shall be by written ballot as hereinafter provided. At such election, the members or their proxies may cast, in respect of each vacancy, as many votes as they are entitled to exercise under the provisions of the recorded covenants applicable to The Properties. The names receiving the largest number of votes shall be elected.

Section 2. Nominations for election to the Board of Directors shall be made by a Nominating Committee which shall be one of the standing committees of the Association.

Section 3. The Board of Directors shall appoint a standing committee entitled the Nominations Committee to consist of nine (9) association members in good standing. The Nominations Committee shall be constituted as follows: (a) a chairman to be chosen from the Board of Directors; (b) four (4) members, if possible, who have previously served on the Board of Directors; and (c) at least four (4) members who have never served on the Board of Directors.

Section 4. The Nominations Committee shall encourage broad participation throughout the Association in securing candidates for director positions. This effort shall include the opportunity for individual Association members to volunteer for nomination to the Board of Directors. The Chairman of the Nominations Committee shall submit to the Secretary the names of all candidates to be considered for nomination prior to consideration by the Nominations Committee. Only those candidates certified by the Secretary as "Association members in good standing" shall be eligible to be nominees for membership on the Board of Directors. The Nominations Committee shall finalize the slate of nominees so that the number of nominees shall be no fewer than 150 percent and no more than 200 percent of the directorships to be filled. The Nominations Committee shall report the slate of nominees to the Board of Directors at an October Board meeting.

Section 5. All elections to the Board of Directors shall be made on written ballot which shall: (a) describe the vacancies to be filled; (b) set forth the names of those nominated by the Nominations Committee for such vacancies; and (c) contain a space for a write-in vote by the members for each vacancy, and (d) note that the ballot shall be void if the member's assessment is delinquent. Such ballots shall be prepared and mailed by the Secretary to the members at least fourteen (14) days in advance of the date set forth therein for a return (which shall be a date not later than the day before the Board of Directors meeting scheduled to certify the results of the election).

Section 6. Each member shall receive as many ballots as he has votes. Notwithstanding that a member may be entitled to several votes, he shall exercise on any one ballot only one vote for each vacancy shown thereon. The completed ballots shall be returned as follows: Each ballot shall be placed in a sealed envelope marked "Ballot" but not marked in any other way. Each such "Ballot" envelope shall contain only one ballot,

and the members shall be advised that, because of the verification procedures of Section 7, the inclusion of more than one ballot in any one "Ballot" envelope shall disqualify the return. Such "Ballot" envelope, or envelopes (if the member or his proxy is exercising more than one vote), shall be placed in another sealed envelope which shall bear on its face the name and signature of the member or his proxy, the number of ballots being returned, and such other information as the Board of Directors may determine will serve to establish his right to cast the vote or votes presented in the ballot or ballots contained therein. The ballots shall be returned to the Secretary.

Section 7. Upon receipt of each return, the Secretary shall immediately place it in a safe or other locked place until the day set for the counting of the votes. On that day, the external envelopes containing the "Ballot" envelopes shall be turned over, unopened, to an Elections Committee which shall consist of five members appointed by the Board of Directors. The Elections Committee shall then adopt a procedure which shall establish:

(a) that the number of envelopes marked "Ballot" corresponds to the number of votes allowed to the member or his proxy identified on the outside envelope containing them; and

(b) that the signature of the member or his proxy on the outside envelope is genuine; and

(c) that if the vote is by proxy that a proxy has been filed with the Secretary as provided in Article XIV and that such proxy is valid.

Such procedure shall be taken in such manner that the vote of any member or his proxy shall not be disclosed to anyone, even the Elections Committee.

The outside envelope shall thereupon be placed in a safe or other locked place and the Elections Committee shall proceed to the opening of the "Ballot" envelopes and the counting of the votes. If any "Ballot" envelope is found to contain more than one ballot, all such ballots shall be disqualified and shall not be counted. Immediately after the announcement of the results, unless a review of the procedure is demanded by the members present, the ballots and the outside envelopes shall be destroyed.

Section 8. The Board of Directors shall consist of nine (9) directors. A director's term of office shall commence on January 1 following his election, and shall extend for three (3) years or until his successor is elected. The five nominees receiving the greatest number of votes shall serve a term of two years; the remaining four directors shall serve a term of one year. Those persons elected to the Board of Directors in elections held after 2006 shall serve a term of three (3) years. The Board of Directors is responsible for overseeing all aspects of elections and for insuring that they are conducted in accordance with the appropriate provisions of the Articles of Incorporation and Bylaws.

The Board of Directors shall receive the report of the Elections Committee and shall certify and announce the results of the election only after satisfying itself that all election

procedures were properly followed. The Secretary shall record the certified election results in the permanent records of the Association, such record to include the name of each nominee and write-in candidate and the number of votes each person receives. A recount of the votes may be ordered by the Board of Directors and/or at the request of thirty-five (35) or more members in good standing who are personally in attendance at the meeting of the membership when the election results are announced. Should the recount be ordered in the latter manner, the recount shall be performed immediately by the Elections Committee in the presence of all those members who wish to observe.
