

Killearn Swim Club - Pool Rules 2026

We are excited to have you as a member for the 2025 Pool Season. The Killearn Swim Club pool season is from May 1st through October 4th.

Please remember all guests must be registered and guest fees paid prior to being allowed into the Swim Club. Guests can be registered at the KHA Office (2705 Killarney Way) between the hours of 9am – 5pm, Monday through Friday. Guests, and parents or guardians of minor guests, are required to sign a waiver in advance. Guest fees are \$5.00 per person and payment is required in advance. We accept checks or money orders (no cash or credit card).

All parties must be approved by the KHA office in advance and there is a limit of 5 guests per event to prevent overcrowding. Request will be honored on a first come first serve basis.

By signing below, you agree to the following Killearn Swim Club rules:

- This is a Members Only Pool. **Leaving the gate propped open or inviting guests who have not registered with KHA will result in your membership being revoked, and you will not receive a refund of any kind.**
- No pets allowed in the pool or on the pool deck except for service animals.
- No Diving, No Running, No Glass
- No Smoking or vaping in the fenced in pool area. (Please exit the pool gate to smoke)
- No water guns, squirt guns, noodle guns of any type
- No oversize floats are allowed in the pool (pizza slices, lounge floats, large unicorns, (etc.)
- No skateboards, bikes, skates, allow in pool area.
- Please apply sunscreen 30 minutes prior to entering the water to allow it to soak into your skin.
- Please shower off before entering the pool. With excessive sunscreen and body oils, it makes it extremely difficult to keep the water clear during the high populated times. Please help us with this issue.
- Children under 15 must always be accompanied and supervised by an adult.
- All diaper wearing children must wear a “swim diaper” to enter the pool. If your child has an accident in the pool which causes the pool to temporarily close, a chemical fee of \$250 will be automatically charged to you.
- Do not drink the pool water.
- If you have a cold, cough, fever, or infection of any kind you are not permitted in the pool.
- No lifeguard is on duty, swim at your own risk.
- We reserve the right to close the pool for special functions, inclement weather, or maintenance and repairs at the sole discretion of KHA management.
